Royal for Quality System [RQS]

Dear Fouad,

ANAB has received Royal for Quality System [RQS]'s application and deposit for accreditation to the ISO/IEC 17043:2023 standard.

The accreditation process includes review of documentation, records, and procedures; interviews of personnel; and on-site observation of activities included in your scope of accreditation, among other activities. The process concludes with corrective action review and the accreditation decision.

Upon successful completion of all required steps and final approval, ANAB will issue an accreditation certificate and defined scope demonstrating conformity to ISO/IEC 17043:2023 standard. Until the accreditation decision is made, no claim in writing or any other form shall be made indicating Royal for Quality System [RQS] is accredited to the ISO/IEC 17043:2023 standard by ANAB.

We appreciate your confidence in ANAB and your commitment to meeting internationally recognized accreditation requirements. We look forward to supporting you through the remaining stages of the process. Should you have any questions, you can reach me at cmaggio@anab.org or 414-501-5454.

Best regards,

Chris Maggio
